S.N. 31

Letter No. 555/A, dated the 5th December, 1928, from the Commissioner of Police, Civil and Military Station, Bangalore.

Under Fundamental Rule 45B, Clause VI, rent for the electric installations should be recovered from Sub-Inspectors and Sergeants referred to in S.N. 11, unless the Government of India authorise the remission of the rent in special --- circumstances for reasons which should be recorded.

S.N. 31/A

The extract of the Madras G.O. No. Mis.774-F.D., dated the 2nd November, 1928, sent by the Commissioner of Police is not quite clear. He may perhaps be asked to send the original copy of the G.O. received from the ------- Commissioner of Police, Madras. The Hon'ble the Resident has no power to frame rules under Fundamental Rule 45A, as suggested by the Commissioner of Police.

Attention is invited to the Madras Government Order No. Mis. 774, dated the 2nd November, 1928. This is a general order from which we cannot definitely say whether Police Inspectors, Sub Inspectors and Sergeants in the Madras City Police Force are exempted from the payment of rent for electric installations. In order to clear this doubt before addressing the Government of India, the Commissioner of Police, Madras, may perhaps be addressed in the matter. Draft submitted for approval.

D.O. Letter No. 650/Mis./dated the 22nd January, 1929, from Mr. C.B. Cunningham, Commissioner of Police, Madras-

---

The Commissioner of Police, Madras states that the Inspectors, Sub-Inspectors and Sergeants of the Madras City Police who are entitled to free ---- quarters are exempted from payment of rent for the electric installation supplied to their quarters and maintained at the cost of Government.

In the Civil and Military Station, Bangalore, the rent on account of electric installation has all along been recovered from the occupants of ---- Government Police quarters-Vide Paragraph 2 of ---- S.N. 31. The rent thus recovered amounts to ------ Rs. 99-12-0 per annum. If the rent chargeable for the new electric installations sanctioned in S.N. 11 (viz. Rs. 124-2-10) were added to the above, the total rent recoverable would amount to Rs. 223-14-10 per annum.

It is not known whether the Hon'ble the Resident is inclined to recommend to the Government of India, under Fundamental Rule 45-B. VI, that ---- Inspectors, Sub-Inspectors and Sergeants should be exempted from the payment of rent for the electric

installation. As we generally follow Madras the matter of pay of the local police, it seem that we may follow Madras in this respect also If so the case of the local Police Inspectors, Inspectors and Sergeants will be included in t statement, which it is proposed to submit to the Government of India, regarding the rent free ---- occupation of Government quarters under the new Fundamental Rule 45B. The loss of revenue involved by the proposal is Rs. 223-14-10 per annum.

Submitted for orders.

Kindly see para 10 of these notes, the p. m. c. and these notes from para 19. In view of the Madras precedent we may perhaps approach the G. of I. as suggested with a request for the exemption of the subordinate Police Officers from payment of rent for their electric installations.

9/2

I am my mind in favour of the note ridiculous charges being waived but before we address G. of I. I should like Rao Bahadur a Krishnan (if sanctioned) in

favour of the Police Officers unless it will not inevitably lead to a copy of other claims from similar Officers in the Depts.

Issued dated the 18th February, 1929.

U.O. Note No. P.W. 7925, dated the 23rd February 1929, from the Pay and Accounts Officer, Bangalore.

The Pay and Accounts Officer has submitted two lists showing (1) officials from whom rent for electric installations in residential quarters is now recovered and (2) officials who are exempted from payment of rent for electric installation.

If the Hon'ble the Minister exempts the Police Officers from ~~this~~ payment of rent for electric installation the officers in the Medical Department will apply for a similar

similar exemption."

The Pay and Accounts Officer states that under Supplementary Rules which are being framed by the Governor-General in Council under Fundamental Rules 45,45-A and 45-B, all the officials in the Civil and Military Station, Bangalore, who occupy rent free quarters, will ~~probably~~ be exempt from paying rent for electric installation from the 1st April, 1929.

In the circumstances it appears that we may await the issue of Supplementary Rules by the Government of India under Fundamental Rules 45, 45-A and 45-B. No action at present appears to be necessary.

S.X.11 I have the honour to invite a reference to paragraph 3 of the Hon'ble the Resident's proceedings No.8817 dated 19-9-28 and to state that the question of recovery of rent on account of electric installation etc.from the occupants under Fundamental Rule 43 B clause VI has now to be taken up. The Commissioner of Police Madras to whom I referred as regards the procedure obtaining in Madras has forwarded a copy of the Madras G. O. No.Mis. 774 F.D. dated 2-11-28, an extract of which is enclosed herein.

I must point out here that, as far as this Station is concerned, the rent on account of installations has all along been recovered from the occupants of Government quarters in accordance with the rules for military electric installations.

Now that sanction has been accorded for installation of electric lights to Sub Inspectors' quarters also, I have the honour

Subject:- Extension of the provisions of Fundamental Rule 45-A. to all Government servants.

The undersigned is directed to say that orders extending from 1st April 1929 the provisions of Fundamental Rule 45-A to all Government servants under the administrative control of the Governor General in Council, to whom they are not now applicable, are about to be issued. The decision will be embodied in the Supplementary Rules which are being framed by the Governor General in Council under Fundamental Rules 45, 45-A and B. In the case of Central Government servants occupying by official arrangement residences provided by Provincial Governments, the latter with the exception of Bengal, Bombay and Bihar and Orissa have agreed to charge rents for such residences under Fundamental Rule 45-A in return for a similar concession by the Central Government to servants of the Provincial Governments occupying Central residences by official arrangement. In the case of the local Governments which have not agreed to the reciprocal arrangement, the Government of India will have to make good to them the difference between the full standard rent under Fundamental Rule 45-B and the actual rent payable by the Government servants calculated under Fundamental Rule 45-A. Although it is too late to provide for these payments in the Budget Estimates for 1929-30, Departments of the Government of India are requested to collect the necessary figures of the payments which may be involved in the ensuing year so that they may consider the possibility, or otherwise, of meeting the expenditure without any special provision.

Recovery of rent for electric installation.

Sir,

8.N31

In reply to your letter No. 555/A., dated the 5th December, 1928, I am directed to state that the Governor General in Council has extended, with effect from the 1st April, 1929, the operation of Fundamental Rule 45 A to all Government servants under his administrative control not already included in the schedule to Fundamental Rule 45 A.

vide paras 32 to 34 of the notes. (IV)

2. For the purposes of assessment of rent, the capital cost of residences owned by Government include cost or value of sanitary fixtures, water supply, and electric installations and fittings. If, therefore, under Fundamental Rule 45 A (V), a building is occupied free of rent under orders of competent authority it follows that no rent would be paid by the occupant for an electric installation.

3. In the circumstances, I am to say that no rent should be recovered, with effect from the 1st April, 1929, for electric installations from officers, who occupy rent free quarters but who may have been paying rent for

electric

electric installations and fittings.
